EDUCATION

Pursing BE Mechanical
Engineering in Government
College Of Engineering
Bargur Krishnagiri

EXPECTED GRADUATION IN
2027

SKILLS

- Project Management
- Student Co ordinator
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English (Fluent)
- Tamil (Mother tounge)
- Hindi (Basics)
- Japanese (Intermediate)

PROFILE

Aspiring Mechanical Engineer with a strong foundation in design, manufacturing, and automation. Skilled in CAD modeling, mechatronics, and simulation with a passion for building functional and efficient mechanical systems. Seeking internship or collaborative opportunities to apply and grow my technical skills in real-world engineering environments.

TECHNICAL SKILLS

Design Tools: SolidWorks, Catia

Simulation: ANSYS, Adams

Programming: Python (Basics), Java

Software: MS Excel, PowerPoint, MS Word

Other: 3D Printing, CNC, Welding, Lathe

WORKING EXPERIENCE

Student intern (2024,hosur,TN)
DMW CNC Solutions India Pvt (Mechanical and Industrial Engineering privately held company)
Acquired practical and manual expertise in CNC milling and turning during training, demonstrating proficiency in both machining processes conducted quality checks and operated machines, ensuring precision and adherence to industry standards.

EXTRA-CURRICULAR ACTIVITIES

3D Designer in Blender
Photo Video Editor
